August 2017

Dear Member of the Class of 2022 and Parent/Guardian:

Welcome class of 2022! Graduating from junior high school presents you with many choices and opportunities for new beginnings. This letter will provide you with the dates of several important events that will help you prepare for your start at Riverside Brookfield High School.

In 2016, the Illinois State Board of Education replaced the PARCC assessment with the SAT for all high school juniors. In order to best prepare our students for this state assessment, Riverside Brookfield High School switched from using the EXPLORE test for the placement exam to the PSAT 8/9 for the class of 2021 and beyond. In order for us to receive students' test results in time for students to register for classes for the 2018-19 school year, the placement exam will be given on **October 14, 2017**.

The placement exam on **October 14, 2017** will begin at 8:00 a.m. at Riverside Brookfield High School and will end at approximately 11:30 a.m. for regular testing. The front doors to the main entrance just east of the football field, and south of the Brookfield Zoo, will open at 7:30 a.m. In order to help us determine the most appropriate classes for freshmen, we require that ALL incoming 9th graders take the placement exam. Attendance on this date is extremely important since no make-up date has been scheduled. **All students should bring two #2 pencils and a calculator to be used during the test.**

You must complete the online registration form by September 20, 2017 in order for your student to take the placement exam. Please refer to the third page of this letter for instructions on how to complete the online form. You must also reside within District 208 boundaries in order to test at RB.

On **Wednesday, January 17, 2018 at 7:00 p.m.** we will hold our **Future Bulldog Night** for important pre-registration instructions and information on our extra-curricular activities. You will receive results from the placement exam, recommended placements for your student's freshman year, and have an opportunity to speak with Instructional Coaches from each department on Future Bulldog Night. Additionally, you will receive information about the **registration process, course selections, and your registration appointment time for freshman registration on Saturday, January 27, 2018.**

On **Wednesday, January 17, 2018**, students and parents will also have an opportunity to learn about the programs available to students at RB as well as meet students who are already involved in athletics and activities. The main gymnasium will display our various clubs and non-sport activities and the Field House will display all of the athletic programs offered at RB. You will also be able to talk with teachers, coaches, sponsors, and administrators about the full range of our offerings. Parking will be available off Golf Road in the faculty lot and on Rockefeller, north of the football field. You may enter the building through the main doors marked "A," just east of the football field.

Please mark your calendar for the following dates:
