To All Warrior Parents and Families!

Our mission as a PTO is to strengthen and enhance the education and social environment for the students of S.E. Gross, by complementing the school curriculum. We host social events including dances and year end parties.

Proceeds from the PTO Fundraisers have been used to fund student behavior incentives, purchase band equipment, Recess and PE equipment, sports uniforms, trophies, technology equipment, water bottle filling stations, robotics for the STEM program, banners for sports, speech and drama teams, and so much more.

We also award Fine Arts Scholarships to students for Art, Band and Chorus.

During this transitional time for your student, parent and family involvement is very important. Please consider giving some of your time to volunteer, chaperone, plan an event or donate supplies. Any help you can give truly makes a difference and is greatly appreciated.

THANK YOU for supporting our PTO!
